

FALCON 900B

HEAVY CABIN

The Dassault Falcon 900B is a high performance tri-engine jet that flies over 4,000 miles non-stop, making it one of the world's most versatile jets. Having just completed a full interior and exterior refurbishment, sparing no expense, this Falcon offers ultra-quiet cabin technology, a state-of-the-art cabin entertainment system and outstanding performance. The spacious custom-crafted interior is complimented with many amenities including two Blu-ray players, Apple TV, iPhone docks, a media service, worldwide internet and flight phones capable of connecting through passengers' iPhones.
