

# GULFSTREAM G550

LARGE CABIN

Ideal for long trips, the Gulfstream G550 can fly for up to 12 hours comfortably non-stop. Powered by two Rolls-Royce engines that provide the most thrust of any jet in its class, the Gulfstream G550 has a cruise range of 7,000 miles.

Advanced sound suppression techniques keep engine noise where it belongs outside the aircraft. Plentiful natural light and fresh air help passengers stay alert and focused.
