

GULFSTREAM IV

LARGE CABIN

The Gulfstream IV is a sleek and fast large cabin aircraft with exceptional flight range. This aircraft is capable of reaching most European locations from any Midwest U.S. city. The spacious cabin can be configured into two private areas with a rear dividing wall and comfortably sleep four passengers in lay-flat beds. With twelve executive chairs, one rear four-seat divan and a mid-cabin dining table, this G-IV can easily accommodate large groups on transcontinental flights. A Prieste flight attendant is onboard all flights to ensure a comfortable flight.
